He is also known as Bill Siver in Cape Cod in Massachusetts. He was awarded a fellowship and Life Membership in the USA. He was awarded an Honorary Genealogically Society from Cork in recognition of his work on his website which contains details of over 17,000 people in West Cork. The website is www.westcorkgenealogy.com. In 1991 he and his wife sailed there self built yacht from Massachusetts down the east coast to Marathon, Florida to the Bahamas.
