

# EASTER rising 1916

England

Ireland  
We got Ireland  
Back

The easter rising was also known as Easter rebellion and it took place during easter week April 1916. The rising was started by irish republicans to end the english ruling over ireland. They did it while the United Kingdom was fighting in the world war. Sixteen of the Rising leaders were executed!

in 1916. which made even more people join the Revolution for Irish independents

## WEST cork Easter rising Micheal Collins 59

Micheal Collins returned from London to Ireland to serve as aide to Joseph Plunkett in the GPO during easter week. he played a very important role in the 1916 rising and made the first steps towards getting a 32 county republic of Ireland.

Micheal Collins was shot dead on 22nd of August 1922 in Beal na mBláth. Taking away Ireland's most inspiring leader
