

Hi my name is Saoirle O
Callaghan and I'm 10 years
old I live in Rossmore
Knocks, Clonakilty CO Cork.
My neighbour "Alvié" is from
Dublin and the story is
based in Dublin. His grand-
mother's name Ann. She let
people stay in her house for
exchange for money. One day
she heard a loud knock
on the door. She went to
open the door and about
20 of the Rebels stormed
in and said "please let us
hide here from the British"
She hurried them up to the
attic and shut the door. Then
she heard a bang on
the door! She went to
open the door and the
British stormed in roaring
"where are they" "where are they"
Then one of the British

Ran upstairs and screamed
"I found them!" They took
all the Rebels and Ann to
jail for 8 years.

The End!
