

Corncrake

My Gran is called Sarah Avalin

She saved a bird called a Corncrake. It was going to be hit by a motor that horses pull. My Gran picked the running chicks and put them in her apron. She brought them home. When her mum found out she made my gran put the bird back

Micheale Cullen was my gran's neighbour he was shot in 22/8/1922 My great grandad said he was a lovely man.

A. Corncrake lived in hay in the meadow when the meadows were destroyed they became fewer by Scott Fuller

Corn Crane

My Gran Saved a Corncrake. The
Corncrake was in a field when a
machine was going to hit it. My Gran
Stopped the machine and took the bird
home. My gran's mum found the bird and
made my gran put the bird back.
