

Cillini

We have a Cillini in our garden. During the summer my dad

tidied it up and hopefully we can put some flowers in it.

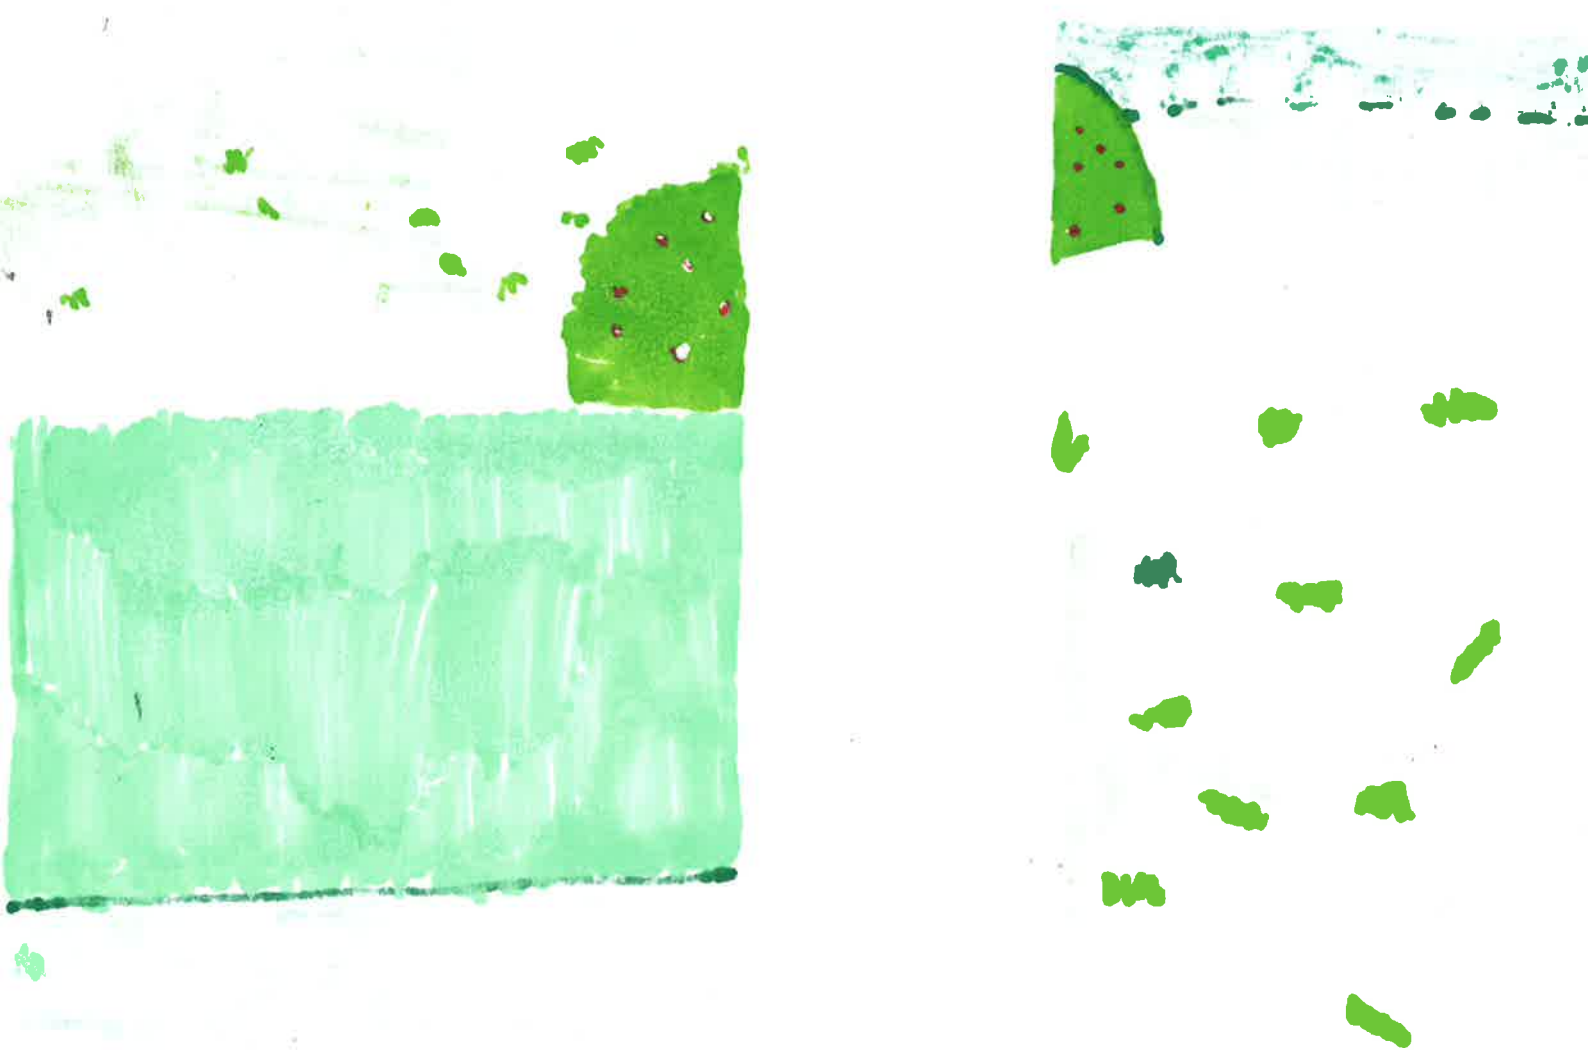

A Cillini is where

Children that have not been baptised or some times suicides, shipwrecked sailors, and Strangers are buried there but maybe not everyone.

Stuart

We do not know too much about it because we bought the house of some one else. We asked the neighbours but they just knew when there were people buried and where people were not buried.

Where it is!
