My name is Uinseann O' Mahony and my 11th Cousins Liam and Conor Dooley are in this class too. Our grandad Vin O' Mahony is 91 and is from Coolodreen in Leap. His Aunty Briggy needed glasses from a young age. They used to say that her eyesight was strained looking out for the blacks and tans. Her house was a safe house. The lookout was in the corn shed. They used to hide the Irish Rebels up stairs in their attic.

Granda told me that guns and ammunition were hidden in Cashel woods in Leap. Briggy's brothers ^{John's} Jerome Hegarty were my granda's uncles. They lived in Milleenahina and were involved in the Rising.

There was a branch of Cumann na mban in ^{Skibbereen} Skibbereen Captained by Lilly O' Donoghue.

I collected my information from my granda Vin O' Mahony of ~~camus~~ ~~Clonabilty~~ Clonabilty.

My name is Uinseann O' Mahony I go to school in Lisavaird N.S. 6th Class
