

Shot by Accident!

By: Annabel Sofia

Shot by accident

The people called Black and Tans always want to catch Irish people and always had their guns ready to shoot. This man called Jim Whooley was in Shannon Vale climbing a fence. The Black and Tans didn't see him or shoot him. One of their guns went off by accident and shot Jim Whooley. The gun was one of the Black and Tans. So now people say Jim Whooley was shoot by accident by climbing a fence.

History project

Name: Annabel Tapia

Address:

Co. Cork.

I got my story from: Con

McCarthy.

Their address is: Ahiohill

Enniskeane Co. Cork

School: Kilcolman N.S
