

Denis Long

My great grandfather was a runner for Michael Collins for the Finne Fáil Party. He was only a young boy at around 15 or 16. He used to bring messages through fields from house to house. He got medals for the work he did.

Elizabeth Holland

My Great Grandmother lived across from Michael Collins Monument in Beal na mBlath.

The Soldiers came to block their road they took their cart to block the road. And that's where Michael Collins was killed. And she was just a young girl and she was frightened. And her father was out doing work for Michael Collins at the time.

My Great Great, Great Grandmother was in the Cúmban na nMan in 1916  
Her name is O'Neill
