Joe MC Carthy

History Project

One day my grandfathers grandfather was working on a farm. He saw the IRA running up the road. Then he was doing something on the farm. Then he heard something. So then he had a peack out on the road. He saw nothing on the road. But than he saw people talking. But than he saw the british soldiers. They saw him then they shot him in him in the belly. His name was ~~be~~ The Carthy. he got shot in 1916 ~~in easter~~ Easter Sunday.
