

My name is Luke Hayes. I am a 11 year old boy. My Dad Sean Hayes told me a story about my great granda William Hayes.

Williams story goes like this. Around 1890s he shot 3 English soldiers near Drimoleague Pharmacy. He shot them with a Mauser Rifle. for his bravery he got 3 medals. When my Dad told me the story we were in the car. I asked 'is there any stories about William?' He replied back saying 'yes'.
