

Taraza workers

- 1 My name is Margaret Collins.
- 2 In my project I am talking
- 3 about my Grand Father in the olden times.
- 4 My Grandfather was one of the
- 5 workers that built Bantex General
- 6 Hospital.
- 7 They were known as Taraza workers.
- 8 after the name of the marble in front of the
- 9 hospital which was specially imported from Italy.
- 10 I have a photo of my Grand Father
