

Stone Hill, Mass Rock

We have a neighbour who lives beside Gordon's
hill and when the forestry was being harvested
le ^{know} ~~noticed~~ there was a mass rock on the hill
a few weeks later we were told to write this
story for the heritage center. So we went up
the hill and took a few photos to bring in
also we have rough co-ordinates of the mass
rock

Drumoleague
5km / 3mils

Slibreeen
14km / 9mils

Slibreeen
5km / 3mils
